Member Profile

Aspen Mortuaries

Lew Shirley, Funeral Director
Phone: 303-232-0985
www.aspenmortuaries.com

I have been privileged to represent our family owned and operated mortuaries for several years at Applewood Business Association meetings.

We offer a full range of services from traditional casket funerals, memorial services and direct cremations at all three of our locations: Lakewood, Arvada and Commerce City. We have been in business for over 25 years serving hundreds of families annually at the time of need or through pre-arrangement.

Familiarization with mortuary services, prior to need, is one of the most prudent and considerate acts one can undertake on behalf of loved ones. The law requires all mortuaries to make prices available in writing. A little research will quickly demonstrate a wide variation in costs for the same services, as well as the character of the mortuary personnel and condition of physical facilities.

At Aspen Mortuaries, we strongly endorse informed selection of personnel and facilities to meet your needs, through the pre-arrangement process.

We would be honored to serve you.
