Plan To Volunteer

Why People Volunteer

Recent research on why people volunteer shows the most basic reason is to serve the community in which they live or work. The pride of belonging, or helping a "good" organization is fundamental. People also volunteer to solve a community problem or improve community life. How do you feel about volunteering for a "good" organization such as the ABA? Can you give a few hours to help solve a few of our community problems or improve our community life? Call these members below to volunteer for a committee.
