### COMMITTEE WORK

The ABA is an all-volunteer organization. All of the programs, projects and administrative functions of the association are carried out by voluntary members of the various committees. The ABA Board of Directors recently held their annual planning retreat to set the agenda for the coming fiscal year and to form up the committees that will be needed to carry out the work. We are looking for help with all of the committees. If you have an interest in participating in any of the following areas, please contact the respective committee chair.

**Publicity & Communications** – Chair – Brian DeLaet 720-275-4646. This committee creates the annual directory, manages the web site, ABA page and monthly newsletter. They also help promote various functions such as after hours and ribbon cuttings throughout the year.

**Programs** – Chair – Linda Schaffer 303-456-9035. This committee arranges the speakers, door prizes and 5-minute spotlights for our meetings.

**Special Events** – Preston Loos 303-278-8600 and Lil Phillips 303-729-3701, co-chairs. This committee is responsible for the Golf Tournament and other special events.

**Membership** – Van Wedgwood 303-456-2130. This committee recruits and welcomes new members, keeps the membership rolls up-to-date and provides member services.

**Community Involvement** – Edna Miklos 303-233-4764. This committee has worked to keep us all informed about Cabela's coming to Applewood and will this year take on the job of planning for the revitalization of Youngfield Street. They also keep us informed of other happenings in the community that could affect business in Applewood.

If you have an idea you would like to see the ABA develop, give the appropriate Chair a call – we are always looking for ways to benefit our members. The time commitment for any one of the committees can be just about whatever you want it to be – from just a few hours a year to several hours a month. Just let us know what you would like to do and how much time you can spend – we'll put you to work!
