MISSION STATEMENT

The ABA is dedicated to the promotion, expansion and development of its members by providing services that directly aid, support and promote their business and by expressing and supporting common goals of protection, identity and growth of Applewood businesses and the community.

MEMBER SPOTLIGHT

Bruce & Teresa Davis
BT & Associates
303-997-9171

www.SucceedWithHealth.com

After serving in the US Navy Bruce attended Metro State University in Denver, Co. While working full time he pursued a degree in business with a minor in nutritional science. His company transferred him to Montana where he continued his studies at the University of Montana at Missoula via correspondence. Through those correspondence and many other classes, he was able to achieve the equivalent of an Associates Degree in Nutritional Science (120+ hours). As he says though, when I studied there were only 6 basic food groups now there are over a dozen. He has, however, continued to keep up with the rapid advances in Nutrition.

In 1994 he became an Owner/Operator in the long haul trucking industry. After driving for ten years with over 500,000 safe miles he was involved in a near fatal accident in April of 2004. With a broken neck and several other health issues it was time to find another means of earning income. With his wife Teresa they became Independent Consultants with the Vemma Corporation out of Scottsdale, AZ. They now work full time from their home as Executive Team Leaders. The best part about their business is that their income directly reflects how many people they and their team have helped with both their health and their finances.
