THE OPEN CUPBOARD, established in 2000, is owned by Ted Godfrey and Chad Maisonneuve. With extensive background in kitchen and bath design and installation, they have produced a showroom of fine products and creative ideas.

Mary joined the design staff of The Open Cupboard in 2008 and has been actively involved in the kitchen and bath design field since 1976. She became a Certified Kitchen Designer in 1981 and was the owner of a kitchen and bath showroom in Ann Arbor, Michigan for over 25 years before moving to Denver in 2005. She is a member of the Rocky Mountain Chapter of the NKBA and in Michigan was an active NKBA member serving in a variety of Chapter Offices including Chapter President and Chapter Representative to National.

As a designer for The Open Cupboard Mary, is able to express her passion for Kitchen Design, working with a board range of cabinet manufactures including Merillat, Custom Cupboards and Plato. Although The Open Cupboard and Mary have worked extensively with builders and interior designers, Mary's most rewarding and stimulating work is directly with homeowners, solving space and efficiency problems in existing older homes. Her efficiency and space planning abilities also translate into beautiful designs with cabinetry in other rooms of the home including home offices, libraries and family rooms with fireplace surrounds, bookshelves and entertainment centers.

Mary is looking forward to working with you, your clients or friends and family to create beautiful, functional and fun to be in kitchens and other rooms of your home.
