5-MINUTE SPOTLIGHT SPEAKER

Holly has been around automobiles her entire life. Getting her love of cars from her father, who owned an import business in the mountains of Colorado. After eight very successful years working for Cadillac, Holly felt she could better serve her clients' needs as an Automotive Consultant, working as an ally and advocate and offering a much broader range of services for her clients' than any individual dealer can offer. Holly believes the purchase of a vehicle should be stress free and fun, and her "Personal Automotive Shopping Service" makes the process just that. Holly will do your shopping, negotiating, arranging financing, and deliver your new car to your front doorstep! Holly is associated with Car Connections, LTD, (www.carconnections.com) which is owned by Michael Cotsworth, who is also a "car aficionado". Car Connections has an infinite supply of automotive resources not available to the general public. This business has been built in its entirety by referrals, i.e. very happy clients! We do business for all your friends and family in all fifty states, and can ship vehicles worldwide. Holly looks forward to helping you, your friends and your family with all your automotive desires, as well as your individual and fleet business needs.
