Prospect Recreation & Park District

A generous donation of \$2,500 was presented to The Rock House at the August ABA General Meeting that represents proceeds from the ABA 2009 Golf Tournament.

The Rock House is a youth outreach program promoting healthy lifestyles and life skills to our community's youths. The Applewood Business Association is fortunate to have found such a committed organization to receive \$2,500 from the proceeds at the 2006 ABA Golf Tournament. The ABA also thanks all the sponsors of the golf tournament; without them, it wouldn't have been such a success.

Also, thanks to all our volunteers for their tireless work on this year's tournament.

MEMBER OPPORTUNITY

A great opportunity to promote your business and/or a special event/promotion is the Applewood Business Association monthly newsletter. Anytime throughout the year you can create a flyer to be included in the mailing of the monthly newsletter. For only \$35.00 your flyer, including postcards, will be mailed to 230 businesses and residences in the Applewood Area. For more details, please contact Scott Feavel with Ecographics Printing at 303-238-7791.

MISSION STATEMENT

The ABA is dedicated to the promotion, expansion and development of its members by providing services that directly aid, support and promote their business and by expressing and supporting common goals of protection, identity and growth of Applewood businesses and the community.

5-MINUTE SPEAKER

Steve has been with State Farm for about one year and is excited to serve the Applewood Community. He looks forward to his Open House, Monday, October 12th beginning at 12:00pm with a Ribbon Cutting at 4:00pm.

PROGRAM SPEAKER

Dr. North is a published scientist and one of his studies has been designated a landmark study because it created a whole new paradigm of our understanding of emotion.

His work has been featured on TV, Radio, and in business and scientific journals. He has trained a professional sports team, Olympic teams and numerous elite world-class athletes in the art of creating thoughts and emotions that maximize their potential.

However, most of Dr. North's work has been accelerating the success of CEO's, entrepreneurs and sales professionals by helping them train their minds like Olympic athletes and develop their business systems to maximize their success. Bottom line results of his work are dramatically increased revenues (sometimes increases of 200 to 300 percent and higher performing people and organizations).

But what you're really going to love about TC, is not just learning how to overcome your fear and increase your courage and confidence, but his unique entertaining style of delivery!
