5-Minute Spotlight

Colorado Housekeeping Services established in 1977 by Cheri Jahn, Kendrick's mom. She started with one house as a single mother of three kids. After some success at gaining a few more clients, Cheri decided to make a business out of cleaning houses. Kendrick has been managing the business for about seven years now, and is excited to announce that they are adding concierge and personal assistant services to their business. Currently, they do deep cleans, general maintenance cleans, and one time cleans. They also do construction clean-up and light commercial work as well as window cleaning and carpet cleaning. The other services that are coming soon are concierge services--restaurant, special event and sporting event reservations, gift purchase, party and event planning. They will also include errands, special day and due date reminders, handyman small repairs, house and pet sitting, help for seniors and new moms, and other services that are in the works in their planning.
